THE MOST HOLY BODY AND BLOOD OF CHRIST: CORPUS CHRISTI

The feast of Corpus Christi reminds us in a very concrete way of the extent to which the journey of faith is aided by the Lord's Eucharistic presence. What begins in First Communion continues until death with many sustaining pauses along the way wherein the Eucharist is repeatedly seen in faith as the road to eternal life. At each Mass we are dinner guests of the Lord. "Blessed are those who are called to His supper." Paul today reminds us of the social dimension of the Eucharist. The one bread is shared in Africa, Asia, North and South America. It is the one bread in which the lowly and exalted, the chief executive officer and the person on welfare, the powerful and the powerless partake together. And it makes brothers and sisters of us all. We all eat of the same bread. Within Christianity there is no first and second class dining rooms. If the Eucharist has any meaning for us, we must show the unity we share in our daily lives. Look once again at our mission statement on the cover of the bulletin. This must be our focus and vision no matter what changes we must make in the near future. Our spiritual life must be a priority over material attachments.

Thoughts to reflect on and share: *"We are like a vast wasteland without the Body and Blood of Christ within us."* Deacon Herb **Follow Deacon Herb on Facebook.**

The Body and Blood of Christ – Faith has many important facets that are effective in our lives. Prayer and worship connect us to the God who created us and who daily gives us purpose and provides for us. Times of community and fellowship unite us with our family in faith to realize that we are not alone on our journey of love with God. Outreach and charity put our faith into action so that we can be the hands and heart of Jesus in the world and provide for the needs of others. Yet, at the heart of our faith, its essential foundation, is the gift of God himself to his people, the Eucharist. The Eucharist is the memorial of God's great act of love for us, the death and resurrection of his Son, Jesus. The Eucharist is the Body and Blood of Christ made truly present so that we might be nourished to do the work of God in the world. The Eucharist is the source of our life as people of faith and that to which we return all that we have received in thanksgiving to God. Inspired by this Feast of Corpus Christi and as we journey On Mission for The Church Alive! may our love for the Eucharist increase so that our faith may remain strong in the midst of change.
